The Altus Group presents smtstores your one stop shop for smt production machine consumables and spares. The best products on the market bought together on one site. Simple menu driven system allows you to locate the product you require in a couple of mouse clicks. Request a quote on line, buy on line. To see how we have re-defined the spare parts and consumables business visit www.smtstores.com

Alongside our impressive stock of Fuji spares we also stock spare parts and consumables for MPM stencil printers, Camalot dispensing systems, spares and lead free upgrades for Electrovert wave solder and reflow systems.

Large stock holding located at our head office in Kirkcaldy, Scotland
